- 1. Communication:** What's the primary way of contacting each other remotely (text, email, etc.)?
We have created a WhatsApp group chat to be used for our group communication.
- 2. Response time:** How quickly do you expect group members to respond?
Within the day, by the end of the day
- 3. Meetings:** Which day and what place works best for everyone? If there is not a day or place, how do you decide when and where to meet?
Wednesday-Friday, free other than eng 680 class time, Meet on campus
- 4. Division of Labour:** How will you ensure cooperation and equal/fair distribution of tasks?
Discuss as a group and come to an agreement on who will complete each component. Go through the assignment together and divide in a way that we deem fair.
- 5. Accountability:** What are the team expectations regarding attendance, punctuality, participation, preparedness, task completion, deadlines, communication with the team, commitment, etc.?
Timely Communication is important to ensure all group members know what's going on, and are able to help/accommodate accordingly.
- 6. Decision-Making:** How will you vote on key decisions (consensus, majority, secret vote, etc.)?
The group will vote on key decisions.
- 7. Conflict Resolution:** What happens when team members violate one or more terms of the contract, or their work doesn't meet the team expectations?
The group will first give the team member a warning that they are unhappy/not satisfied with their contribution. Upon second incident we will contact the TA's to seek a remedy
